 Certificación energética  **En trámite**

La Cala Azul is a newly built complex located in the residential area of Cabo de Palos, Cala Flores. This area is now one of the most sought-after locations; is easily accessible from the motorway and also offers all services nearby, as supermarkets, pharmacies and entertainment venues plus sports courts and beautiful quiet coves. The complex also features swimming pools and gardens. The house, a duplex with solarium on the top, boasts a large entrance porch that is designed as a space with two levels. Upon entering the house there ...
