The Urbanization Osiris is highly regarded and very well known in the area, centrally located next to one of the nerve centers of La Manga, Plaza Bohemia. This residential complex, with 5,000 m<sup>2</sup> of gardens, features extensive common areas as well as sports facilities; plus a large underground garage with space for two cars per property. The property, situated on the second floor and with east orientation has been fully refurbished with high quality materials and a modern and functional design. Upon entering the apartment, you will access a very ...
