The residential Neptuno, at kilometer 8, is located in the first line of Mar Menor with a nice beach promenade. The complex also has large common areas; among which you will find a communal pool and large gardens that surround it. It is characterized by being one of the quietest areas of La Manga, even in times of more influx of tourists. The property is located on the seafront, with spectacular views and lots of natural light, and features a large terrace, living room decorated with beautiful style and color, spacious independent kitchen fully equipped, office ...
