This exceptional seafront property is located on the third floor, with a modern design in one of the most untouched areas of La Manga, with direct access to the beach, 3 luxurious pools, and spectacular sea views, as well as being within easy walking distance to nice restaurants, bars, shopping, and other amenities. The property features a spacious and bright living-dining room with fully equipped American type kitchen, nicely decorated and with large windows to be able to enjoy the magnificent views of both seas as well as direct access to the terrace overlooking the Mediterranean Sea. The apartment has two double bedrooms, ...
