This house, totally independent, is located near the Mediterranean Sea and the Mar Menor and one of the most active areas throughout the year. In this way, in addition to finding public transport stops, you can enjoy the convenience of having both supermarkets and various entertainment venues and restaurants around. Upon entering the house we find a garden that surrounds the entire house. This outdoor space, well maintained and well distributed, will offer us a barbecue area, swimming pool and direct access to the garage in the basement; where in
