The apartment is located in the Arpón Residential on a second floor. Built on the Cala Del Pino, this complex boasts privacy and panoramic views of the Mar Menor. The urbanization has well-kept common areas throughout the year; It has a promenade by the sea that borders the entire complex and a communal pool in its central square. The house, on the second floor of the tower, faces the sea. It has a large living room, kitchen well furnished and with gallery next to it a toilet. You can enjoy ...
