The Monte Blanco Urbanization is highly sought after, since it offers very complete common areas with two swimming pools, one with fresh water and the other with salt, one of which has a bathroom, a children's playground and gardens next to the mountain. La Manga, where we can see 360-degree panoramic views. Third floor apartment in the Monte Blanco km 4 area of La Manga, with views of the two seas. The apartment has a spacious living room. From it we will access the terrace, where we will have panoramic ...
