The New Sirenas Urbanization is located in the first kilometers of La Manga. Built on the shores of the Mediterranean Sea, it offers us large common areas, among which we will find a communal pool, a large central square and parking for the exclusive use of owners. In addition, it has its own access to one of the best known and most pleasant beaches in the area. The house is located on an eighth floor, when accessing it we have the living room that stands out for its spaciousness and ...
