Magnificent detached beachfront villa located on the shores of the Mar Menor. The beautiful sunset views from this spectacular home would rival those of the Caribbean. This stunning property in La Manga del Mar Menor is built on a plot of 750m2 and it features 520m2 of living and garage space. Built to an exceptionally high standard with nothing compromised in design built and materials. This is not just any beach house; this is a beautifully designed home that has been meticulously maintained since it was built. The house is ...
