Plot located in the heart of La Manga del Mar Menor in an affluent residential area – Polígono Z. Located at km4, only a few meters from the Zoco shopping area, this plot is perfectly situated between both seas. Its surface is 926 m2 with a potential to build a villa of about 529 m2 across 3 floors plus the basement and swimming pool. This plot of land is between two different access roads which would conveniently allow a drive in / drive out designed drive way
