«Nice ground floor apartment with excellent qualities, very bright and well-kept, in the exclusive Cabomanga urbanization, a short distance from the center of the fishing village of Cabo de Palos and its magnificent coves. A unique property and ideal for those who want to be away from the hustle and bustle of the center but have all services close by. The house located on the ground floor with a porch facing the gardens and pool, has a spacious living-dining room, separate kitchen with laundry area and backyard, next to it ...
