Ancora urbanization located in the kilometre one of La Manga in a central and at the same time very quiet area just a step away from the Mediterranean Sea. The property, built on a plot of 800m2 and a living area of 280 m2, is surrounded by a lush garden and swimming pool. From the main porch, spacious and covered with a pergola, we will be able to access directly to the living room; framed with a beautiful fireplace and with the spaces well delimited, being defined a living area ...
