This duplex is located in the Galán Menor Urbanization, at kilometre 8. This complex is built on the shores of the Mar Menor and has large communal areas including a large communal swimming pool and direct access to the sea. The area in which it is located also has a multitude of services in the surrounding area: supermarkets, leisure and restaurant establishments, public transport stops? The house has a large and beautiful covered porch with enough space to make several rest areas. When entering the house we will go directly ...
