Urbanization in the north of La Manga, perhaps one of the most beautiful as it has two swimming pools surrounded by gardens. The Mediterranean Sea is only 50 metres away and the minor sea is only 200 metres away. The property is very well kept and ready to move into. Ideal for families who want to live in a quiet area, with a promenade in front of the sea in a natural enclave and at the same time offers all the necessary services of restaurants, shops, pharmacies and a marina ...
