Superficie: **600m2**
Certificación energética  **En trámite**

This property is located in a unique spot; one of the few spaces that remain almost untouched and surrounded by detached houses and close to the famous bridge of la risa. Thus, this area is the ideal place to spend a few days of rest on the shores of the Mar Menor, and from where you will be able to enjoy incredible sunsets. The house has a plot of 600 m2 and 110 m2 built, completely independent, with a large and well-kept garden that will offer us different spaces to ...
