The Cala Azul urbanisation is a spacious complex with well-maintained communal areas. Located in the heart of Cala Flores and very close to the entrances of the Calblanque Natural Park, this urbanisation is ideal for relaxing and spending a few summer days; not to mention that thanks to its proximity to the highway, it's a perfect location for year-round living. This triplex boasts a very large terrace with views of the Mar Menor, where you can enjoy various spaces: a relaxation area, a dining area, a sunbathing area, and more. ...
