Superficie:	80m2
Certificación energética	 En trámite

The home is located in the Aldea Real residential complex in La Manga. Built facing Cala Del Pino, this complex boasts privacy and panoramic views of both seas. Inside, you'll find spacious common areas, including a central promenade, several lookouts, a gated parking lot, and a pool with ocean views. The home consists of a living-dining room featuring a beautiful fireplace and direct access to a large terrace where two distinct areas have been created, both offering lovely views of the Mar Menor and the pine forest—perfect for enjoying throughout ...
