The Urbanization Saint Yago Nilo is located in one of the centers of La Manga, next to the shopping center El Zoco and in front of the Mediterranean Sea. Therefore it has easy access to many services, in order to make your stay at the beach comfortable and enjoyable. The perimeter of the urbanization is fully closed and has a original phased design. Within it you will find beautiful narrow streets lined with plants and gardens, several accesses that take you directly to the Mediterranean and a lovely pool where ...
